Pet Health Club

What to do if your cat goes missing

1
Check indoors first
Start by searching your home thoroughly. Cats often hide in unexpected places.

2
Use familiar sounds and smells
Shake a box of their favourite treats at your door and try leaving out a blanket, toy and a bowl of their favourite food to entice them back.

3
Search your local area
Look around your neighbourhood, calling their name. Check sheds, garages, and under cars.

4
## Spread the word
Tell your neighbours, post on local social media groups using recent photos, and contact your local vet and animal shelter.

Neighbourhood Groupchat
Hey, our cat is missing :(
Please keep an eye out!

5
Microchip check
If your cat is microchipped, make sure your contact details are up to date on the database.

6
Register your cat as missing
Register your cat as missing with your microchip database (e.g. Petlog) and any appropriate lost and found pet websites.

UK National Pet Register
Welcome to the National Pet Register

7
Create a lost cat flyer
Design a lost cat flyer with a clear photo, description, and your contact information. Distribute it locally.

MISSING CAT
CONTACT HAZEL ON 78978 123456

8
Don't lose hope
Thanks to microchipping, many missing cats are reunited with their owners quickly and safely.

Join **Pet Health Club** today and get microchipping as part of your benefits
