

# TAYLOR VETS VIP PLAN

## THE EASY WAY TO CARE FOR YOUR PET IN SIMPLE MONTHLY INSTALMENTS

Our Pet Care Plan allows you to spread the cost of caring for your pet throughout the year. It covers your pet for all of its basic health care needs, including treatments and expert advice, giving you complete peace of mind for your pet's well being.

The Pet Care Plan guarantees your pet regular health check-ups, where we'll dispense advice if it's needed, along with support and treatment planning to prevent problems arising with your pet in the future.

The cost of maintaining the general health of your pet is then distributed throughout the year by monthly Direct Debit payments – plus you also qualify for an additional discount on other items and services in the practice.
