Dear Practice Principal

## **RCVS confirmation of PSS accreditation**

I am writing to confirm that your practice is compliant with its latest PSS assessment.

Your accreditation logos have been emailed to you along with a link to a feedback form. If you haven't already completed the form, we would be grateful for your feedback on the assessment process.

Please find attached a copy of your accreditation certificate.

We've created a range of resources to help you promote your accreditation to your clients. Please feel free to download the videos and post to your digital channels and practice waiting room screen, add the infographics to your social media channels and print the posters to display in your practice to help your community understand what your accreditation means. You will find the resources page on our website at: [www.rcvs.org.uk/campaignresources](http://www.rcvs.org.uk/campaignresources).

For your information, your next scheduled assessment is due in July 2026. May I take this opportunity to congratulate you and all your staff for gaining your accreditation status.

Yours sincerely,

Amanda

Amanda Radford
