# CLIENTS VISITING WITH A PET

(e.g. vet or nurse appointment, surgical admission,  
patient collection/discharge appointment).

**WE ARE OPEN!**

And practising social distancing...

...Please inform us on arrival, but then wait (preferably in your car) until called to your pet's appointment by the vet/nurse.

**Entry with your pet is optional, and not compulsory.**

At the end of your appointment, please follow the vet/nurse's instructions regarding where to wait until a space becomes available at Reception. In some circumstances this may involve being asked to wait outside.

**Thank you for your cooperation.**
