

YOUR 365 PET CARE PLAN

Welcome to Your 365 Pet Care Plan!

Thank you for joining and a very warm welcome to Your 365 Pet Care Plan!

We all know that prevention is better than cure and with our VIP plan, you can rest assured that all your pet's essential healthcare needs are covered - keeping them in tip-top condition all year round!

Nobody likes the boring stuff but here is some key information about the plan and details of how to make amendments should you need to in the future...

-  Your 365 Pet Care Plan IS NOT pet insurance and only provides preventative wellness treatments as outlined by your practice. Unlike insurance which covers unexpected accidents or illnesses, Your 365 Pet Care Plan covers the expected, routine treatments your pet needs throughout the year. Your 365 Pet Care Plan will not provide any cover for the treatment of accidents or illnesses for your pet. We would highly recommend you take out pet insurance to cover these eventualities.
-  Your direct debit will be collected by PVA our direct debit provider and this is the name that will appear on your bank statement.
-  Should you need to amend your personal/banking details or change your payment date, please contact the practice where your 365 Plan is registered and they will be happy to get this updated for you.
-  If you have chosen to pay for your membership by direct debit, there is no need to worry about renewing, as your plan will continue to roll forward each year until you cancel. The date on which you join the plan will be the date it will automatically renew in years to come.
-  You can cancel at any time, but if you are part way through a plan year and have received more treatment than what has been paid for in direct debits (for the plan year you are in), your practice will ask you to pay the difference or the subsequent months to take the plan up to renewal (whichever is less).

Your Pet (name)

Joined Plan (date)

Now that you're a member of our 365 Plan we will send you automatic reminders, so you never have to worry about missing your pet's next vaccination or flea & worming treatment again.

With very best wishes,

From your easipetcare practice team
