

Pet Blood Bank

Pet Blood Bank Uk is a charity that collects blood from generous donor dogs from across the United Kingdom. The blood is then either used whole or broken down into parts and used by vets to save the lives of other dogs. At Hawthorne Lodge Vets we are a registered collection site with collections made by the pet blood bank at regular intervals

Uses of blood products:

- Transfusion for Blood Loss
- Clotting Disorders
- Parvo Virus Treatment
- von Willebrands
- Low Blood Protein
- Anemia

Become a donor

To become a donor, dogs must meet certain criteria.

- Aged between 1 and 8
- Weigh more than 25 kgs
- Not travelled abroad
- Good temperament
- Up to date vaccinations
- Be fit and healthy

• For dogs the appointment will last 30-40 minutes at a "Blood Drive". Dogs receive a physical examination, first time donors are blood typed screened and if they have not already been microchipped this is done for free.

• A small area is clipped on the neck and about 450 ml of blood is collected, once this is done the dog moves to the refreshment area and takes it easy. All dogs receive a Pet Blood Bank Goody Bag
