

NORTHDALE VETERINARY PRACTICE

Complaints Policy and Client Feedback

Our aim is to provide you and your pet with the best possible service and care. Please let us have your feedback, comments and suggestions so we can endeavour to improve and make our service more suited to your needs.

Our teams of Vets, Nurses, Receptionists and Practice Manager will take your comments seriously and will want to know how we can help.

Complaints: If you have encountered any problems with our services, please let us know

In the first instance, tell the person in charge of your pet's care – they may be able to resolve your concern there and then

If they are unavailable, please discuss your concerns with any member of our team who will only be too happy to help – we would much rather talk to you about it now

Alternatively, you are welcome to write to us. Please address all correspondence to our Practice Manager who will direct your concerns to the relevant person within the team to respond to you, our email address is info@northdale.co.uk. It would be helpful to provide the following information:

- Your name, address and convenient contact telephone and email
- The name of your pet
- The date on which you last attended the clinic
- A brief description of your concerns
- A summary of what in your opinion we can do to best deal with your concerns

In general, if you have a concern, it is best to raise it as soon as possible – this will make it easier for us to investigate and resolve any matters, which are still ongoing

If any of our staff were involved, it would be helpful if you can provide us with their names

OUT OF HOURS SERVICES/REFERRALS In the event your complaint relating to an Out of Hours service or a Referral treatment that was not provided by our staff we would ask you to firstly direct the complaint to the relevant service provider. If you are not sure whether or not this was the case, please ask any of the practice staff and we can quickly clarify to whom the complaint should be directed. We would also appreciate it if you could keep us updated the outcome.

CREDIT PROVISION SERVICES If your complaint is related to the provision of interest free credit, please approach the providers - Care Free Credit - directly. Contact details are available on their website www.carefreecredit.co.uk. We will treat any point you raise in confidentiality. Upon receiving your letter, we will aim to contact you to find out more. Please let us know the most convenient time to contact you. We may need to investigate the matter further before being able to reach a conclusion; if that is the case we will do our best to look into it as quickly as possible and will reply to you as soon as we are able. In normal circumstances, we would aim to have addressed your complaint within 14 days of receiving it.

**Remember you don't have to have a complaint to talk to us.
We are constantly looking for ways to improve our service and positively encourage you
to let us know what is important to you.**

And last but not least... **HELP US TO HELP YOU**

Do help us by:

Letting us know should your contact details or circumstances change.

Letting us know if you are unable to make an appointment

Telling us if you are unsure of being able to meet the costs of your pet's treatment before it begins.

Telling us if your pet has any particular needs.

And in all this, please do be considerate to our staff. We understand how upsetting it can be when your pet needs treatment. All of our staff are caring and committed people and they feel it too. Please be as kind to us as we seek to be to you. We are sure you will be!
