Michele RVN BCCSDip.DogBhv

Michele joined Oakfield Veterinary Group as a Student in 2010, qualifying as a Veterinary Nurse in 2012. After attending the National Dog Behaviour Conference ran by Victoria Stilwell, this introduced Michele to her "Positively" approach to training and behaviour 2018.

In 2019 Michele completed the Level 3 Dog Behaviour Diploma, PETbc Accredited course, ran by the British College of Canine Studies and has most recently completed the Canine Trauma and Rescue Expert Course in 2024.

How can we help?

Michele and Mehjabeen combine their Veterinary background with a passion for understanding why dogs behave the way they do. Their calm, compassionate approach ensures every dog feels safe and supported while owners gain the confidence and tools they need to strengthen their bond.

- Behaviour consultations tailored to your dog
- Positive, reward-based methods
- Ongoing guidance and care through Oakfield Veterinary Group

Mehjabeen and Michele are both based at our Castle Bromwich branch, please call to check their availability
