OVAL WELLNESS PLAN

CUTTING THE COST OF VETERINARY CARE

www.ovalpetcentre.co.uk

WELCOME

At **Oval Pet Centre** we want to make preventative health care easy and affordable, to help you give your pets the best care possible. We believe that prevention is better than cure, rather than waiting until a pet is ill and suffering to put things right. Early diagnosis of health problems will help your pet to live a long and healthy life.

A pet health plan is not pet insurance. It covers the essential treatments your pet needs throughout life, such as vaccinations, flea and worm treatments. Extra benefits of the plan include discounts on many other products and services at the practice.

Read on for more information, or speak to one of our team today to find out more about our plan.
