PURTON  
VETS

A partnership of lifelong care

Dear Pet Owner,

At Purton Vets we want to help you look after your pet in the best possible way and the **Pet Health Club** is a great way to cut the cost of routine veterinary care for your pet.

We encourage you to join this scheme because routine care is an important part of responsible pet ownership. It keeps your pet in the best possible health and helps them lead a **happier life**.

Take a look overleaf to see how much is included in the club and the estimated **savings** to be made on the annual costs of what we call 'preventative healthcare' - helping you keep your pet in tip top condition.

If you join the scheme, you can enjoy **discounts** on annual vaccinations, year round worming and flea control, lifetime care medications, routine neutering, dental procedures and pet food.

We can't emphasise enough how important it is to provide routine veterinary care for your pet. And joining the **Pet Health Club** will help you do so for a fixed monthly cost.

If you have any further questions, our team would be delighted to help you.
