DIRECTIONS TO THE WOTTON VETERINARY SURGERY AND MRI REFERRAL CENTRE.

FROM BRISTOL, THORNBURY, RANGEWORTHY AND CHARFIELD:

Follow signs to Wotton under Edge if coming from the A38. If coming from the M5, get off at junction 14 (Falfield junction) and also head towards Wotton under Edge. You will go through the village of Tortworth. Stay on this road until you come to a roundabout. Turn left here, go down Charfield Hill and go through the village of Charfield. Continue for approximately 1.5 miles going straight across a roundabout and past Renishaws on the left-hand side. Turn left just before a little round house covered in creeper, situated on a fork in the road. The surgery is approximately 200 yards on the right, surrounded by fields.

FROM YATE OR CHIPPING SODBURY:

Go to Wickwar, and follow the B4060 through Kingswood village. Carry on towards Wotton and go past Katherine Lady Berkeley school on the left. At the T junction on top of slope turn left away from Wotton village. Go down hill, take the first right, which is on a bad corner by a round house. The surgery is 200 yards on the right, surrounded by fields.

FROM HAWKESBURY UPTON, ALDERLEY AND KINGSCOTE:

Go into Wotton under Edge to the war memorial. Go up a hill on the road towards Dursley, and take the third left (signposted Bradley Green) down a steep hill. At the bottom there is a T junction and a triangle. Turn left here. The surgery is approximately 200 yards on the left, surrounded by fields.

FROM DURSLEY AND NORTH NIBLEY:

Go through North Nibley village, and continue towards Wotton. Take the first right at Southend junction (there is a sign here directing to the Veterinary Hospital). Stay on this road for approximately 1 mile, passing a golf course on the right. The surgery is the second building on the left, surrounded by fields and is well sign posted
