

WENSUM VALLEY VETS NEWSLETTER

MINOR CHANGE IN OFFICE OPENING TIMES

As a team we are mindful of work-life balance and have opted to close the office slightly earlier from 1st August 2024. Therefore, we will be open from 8.15am until 5.00pm rather than 5.30pm. Of course, as ever, if you ring outside of these times you will be given the emergency number. Ringing this will take you straight to one of our vets in any event.

We feel this will have no impact on the high level of service and support we currently provide and this remains our absolute priority. The usual team is still on hand whenever you need us 24/7 365 days a year.

If you wish to collect prescriptions outside of office hours this can still be arranged for you.

ROYAL NORFOLK SHOW 2024

This year's Royal Norfolk Show saw great weather and bumper crowds. Dave was Head Veterinary Steward again with a team of six vets in total, providing continual on-site cover as well as overnight emergency provision. There were only a few minor issues to deal with and the heat did not cause us too many problems.

The RNS vet team is now known for our attempts at a publicity photo. This year was no exception when we used our vet buggy to become an emergency vehicle for all 6 of us.

The team from left to right is:

Kathy, Ann, Olivia, Katie, Aidan, Dave
