Lifetime Care Club

Preventative healthcare for your pet

Our Lifetime Care Club enables you to budget for your pet's routine preventative care to help keep them fit and healthy. A monthly direct debit payment helps to spread the cost of routine treatments which are not covered by pet insurers.

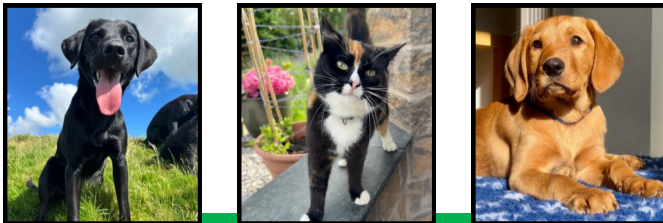

The Lifetime Care Club is suitable for dogs and cats. The Club membership entitles your pet to a great range of benefits which includes vaccinations, 6 monthly Nurse checks, worm treatments, tick and flea treatments and lots more. These regular visits mean your pet's health can be carefully monitored which in many cases may prevent problems arising in the future.

How do I join?

Simply fill out the attached direct debit mandate and send it to the practice.

Alternatively call into the practice with your bank details and one of our team will be happy to help you with your membership application.

You have 14 days to cancel if you change your mind.

Dogs from £17 per month

Cats from £17 per month
