The 'Clever Dogs' Training Club

At this club we like to maintain a relaxed and friendly atmosphere. However, in order for this to work, all students and staff need to maintain a high level of personal responsibility.

In particular;

- The primary responsibility of all, is to ensure the safety of dogs and people present.
- All dogs to be kept on a lead unless authorised by an instructor.
- Hygiene, please clear up after your dog whether in the Hall, car park or surrounding area.
- No children under 12yrs are allowed to handle a dog.
- **All dogs must be fully vaccinated, and a vaccination card shown on enrolment.**
- **This is a reward based training club, no inappropriate chastisement of the dog will be allowed.**

Any questions, or if you have a specific problem with your dog, please do not hesitate to ask a member of staff.

In terms of emotions dogs need;

- *Social contact, so their panic system doesn't get activated.*
- *Develop their frustration tolerance, and remember that behaviour training is all about 'impulse control & emotional restraint'.*
- *Games and play with owners to activate seeking system.*
- *Interesting things to do – especially long walks – that also arouse their seeking system.*
