For sex please state: female, female neutered, male or male neutered

Who will be traveling with the pet?

- Owner
- Person who has authorization in writing from the owner to travel with the pet (full name, address, phone number)  
.....
- Designated Carrier contracted by the owner to travel with the pet (name, address, phone number)  
.....

**Tapeworm treatment:**

*From Great Britain to EU listed tapeworm free countries:*

If you are traveling to one of the following countries your dog must be treated for tapeworms by a UK registered veterinary surgeon. This must be no more than 120 hours and no less than 24 hours before entry into one of the following countries:

1. Northern Ireland
2. Malta
3. Ireland
4. Finland
5. Norway

I am traveling to (country from above list) .....on (day of travel)  
.....at (time of departure).

My scheduled arrival time is (date and time) .....

If you are returning from a tapeworm free listed country you do not need a tapeworm treatment.

*From EU to UK*

If you are returning to the UK from your holiday your dog must be treated for tapeworm no less than 24hours and nor more then 120 hours before time of entry into the UK. Please take your AHC to a EU registered vet for this treatment to be administered.

*Short trips:*

*If you are leaving Great Britain on a short trip returning within 120 hours the tapeworm treatment needs to be administered and certified by a veterinary surgeon in England, Wales or Scotland before you are leaving.*

**Declaration:**

***I declare that the information entered above is accurate and correct. By submitting this form, I agree that White House Vets Ltd (or it's agent) will use this information to complete an Animal Health Certificate (AHC) and any errors or omissions in the information I have provided may invalidate this AHC. Any invalidation of an AHC caused by errors or omissions in this form is entirely at my own risk.***
